

**Anderson Speech Consultants** is currently seeking a contract **full-time Communicative Disorders Assistant**. We provide a collaborative work environment with job flexibility and opportunities for career development. If you are passionate about being a CDA, possess strong self-critical thinking skills, and are self-driven to learn, then this is the job for you.

### **Company Info**

At Anderson Speech Consultants we believe in a collaborative approach to provide caring, innovative, and creative speech-language services for people of all ages and places, including locally, across Canada, and internationally. We build upon our clients' strengths to create an individualized treatment plan. Our proven approach is far from one-size fits all.

In addition to the high quality service we provide in our clinic, we use advanced technology to conduct online therapy sessions, reaching clients in their most convenient location.

### **Key Responsibilities**

- Immediate start date. Contract to end in June 2018, with possibility of extension
- Provide treatment to pediatric client who present with a broad range of communication difficulties, including those in remote First Nation Communities.
- Work with clients in remote areas using telepractice technology, as well at our office (Burlington, ON)
- Able to work from home, as well as travel into the office when needed.
- Possible travel opportunities to First Nations Communities.

### **Qualifications**

- Graduate Certificate in Communicative Disorders Assistant
- Experience working with children who have speech-language and literacy concerns
- Proficiency following a treatment plan outlined for Speech-Language Pathologist to provide creative and engaging therapy sessions
- Comfort providing both individual and group treatment sessions
- Able to adapt treatment approach to the needs of clients, including clients of different cultural backgrounds
- Able to work well as part of a team including Speech-Language Pathologists and other Communicative Disorders Assistants
- Possess the flexibility and time-management skills necessary to manage an ever-changing caseload
- Able to creatively problem-solve to provide treatment programs catered to individual clients and settings (e.g. online)
- Proficient in the use of Word, Excel, Powerpoint programs as well as Google drive
- Comfortable with technology, including video conferencing technology
- Able to travel to Northern First Nations Communities, if necessary

**Deadline for Application:** January 31, 2018

Email cover letter and resume to **andersonspechconsultants@gmail.com**

Only selected candidates will be contacted for an interview.
